

Flower, Lawn and Garden Festival

Presentations

Friday April 25 ~ 10:00 am and again at 12:00 pm

Hands-On Workshop Jam & Jelly Making 101: Sweet Success in Every Jar. This 2 hour workshop will go through the process of making jams & jellies and you'll take with you a jar of jam or jelly! Held in conjunction with the Flower, Lawn and Garden Festival the \$10 cost includes all day entrance to the Festival and all instruction and supplies for the workshop.

Purchase tickets online: <https://www.eventeny.com/events/jam-jelly-making-101-sweet-success-in-every-jar-19828/>

Friday April 25 ~ 1:00-2:00

Joshua Hall from the Cumberland Trails Conference (CTC) <https://cumberlandtrail.org/> will give an overview presentation of the history and management of the Cumberland Trail before going into more detail about his work as part of the CTC trail crew. He will discuss the techniques they use for constructing the trail in different environments, various challenges they face during trail building, and the important role of volunteers in the CTC efforts. Josh will have a number of photos from the trail featured in his talk, and will also bring a selection of tools that are commonly used by the trail crew for attendees to look at. This presentation is FREE with admission to the Festival.

Saturday April 26 ~ 10:00 am and again at 12:00 pm

Hands-On Workshop: Angela Witzel, Dogwood Exchange will be teaching students to make a trivet for their potted plants. (The image shown is a tiled and grouted 8"x8") All base trays will be black but students will have their choice of tile colors and tray shapes will vary. Students will also have their choice of black or white grout. All materials are provided in this \$25 class being held from 10-12 CST on Saturday, April 26th. Held in conjunction with the Flower, Lawn, and Garden Festival, the \$25 cost includes all-day entrance to the Festival and all instruction and supplies for the workshop.
